[Dm] [C] [F]
[Dm] [C] [F]

[Dm] I was scared of [C] dentists and the [F] dark,
[Dm] I was scared of [C] pretty girls and [F] starting conversations,
[Dm] Oh all my [C] friends are turning [F] green,
[Dm] You're the magicians [C] assistant in their [F] dreams.

[Dm] Ooh, [C] ooh [F] ooh
[Dm] Ooh, [C] and they [F] come unstuck

[Dm] Lady, [C] running down to the [F] riptide,
[F] Taken away to the [Dm] dark side,
[C] I wanna be your [F] left hand man.
[Dm] I love you [C] when you're singing that [F] song and,
[F] I got a lump in my [Dm] throat 'cause
[C] You're gonna sing the [F] words wrong

[Dm] There's this movie [C] that I think you'll [F] like,
[Dm] This guy decides to [C] quit his job and [F] heads to New York City,
[Dm] This cowboy's [C] running from [F] himself.
[Dm] And she's been living [C] on the highest [F] shelf

[Dm] Ooh, [C] ooh [F] ooh
[Dm] Ooh, [C] and they [F] come unstuck

[Dm] Lady, [C] running down to the [F] riptide,
[F] Taken away to the [Dm] dark side,
[C] I wanna be your [F] left hand man.
[Dm] I love you [C] when you're singing that [F] song and,
[F] I got a lump in my [Dm] throat 'cause
[C] You're gonna [F] sing the words wrong

[Dm] I just wanna, I just wanna [C] know,
[F] If you're gonna, if you're gonna [Bb] stay,
[Dm] I just gotta, I just gotta [C] know,
[F] I can't have it, I can't have it [Bb]* any other way

[Dm] I swear she's [C] destined for the [F] screen,
[Dm] Closest thing to [C] Michelle Pfeiffer [F] that you've ever seen, oh

Sing next verse x 3

[Dm] Lady, [C] running down to the [F] riptide,
[F] Taken away to the [Dm] dark side,
[C] I wanna be your [F] left hand man.
[Dm] I love you [C] when you're singing that [F] song and,
[F] I got a lump in my [Dm] throat 'cause
[C] You're gonna sing the [F] words wrong

[F] I got a lump in my [Dm] throat [C] 'cause you're gonna sing the [F] words wrong.
